

## Community Service Committee

### What are the objectives of the Committee?

Community Service Committee is a Committee established in the College of Medicine at Najran University. Its purpose is to provide education and training to the local community in all health aspects through volunteer work and in cooperation with establishments and associations supporting specialized health care aspects such Najran University Hospital, Governmental and Community Organization. The Committee organizes health education sessions on a variety of health-related topics with an aim to raise public awareness on the importance of health and wellbeing for Najran people.

### The main tasks of the Committee

- Drafting the executive mechanisms necessary for the committee's work.
- Preparing and implementing the annual college plan for community service.
- Implementing the committee's projects of the college's strategic plan and academic accreditation.
- Evaluate the beneficiaries' satisfaction with the community service plan and prepare plans for improvement.
- Spread awareness among faculty members and students of the importance of participating in community service activities.
- Other work assigned to the committee.
